

## OVERVIEW

Started in 1985, Promatech, Inc., is a Certified Woman Business Enterprise (WBE), Small Business Enterprise (SBE) and Disadvantaged Business Enterprise (DBE) with a strong presence in the Mid-Atlantic Region.

Within the A/E/C industry, we are known for successfully managing projects from conceptual design to post construction; developing the project's organization structure, assigning responsibilities and resources, developing procedures, document control and records management, defining line of communication, utilizing leading-edge project management systems.

Our organization employs a permanent staff of full-time professionals with multi-disciplinary backgrounds and diverse experience. Our team develops techniques to help our clients control costs, schedule, and quality.

## SERVICES

### CONSTRUCTION/PROJECT MANAGEMENT

Promatech effectively monitors and measures variances to ensure our clients' project remains in conformance with contract documentation, scheduled time-lines and the overall project's objectives.

### PROGRAM MANAGEMENT

Promatech utilizes management techniques, knowledge and skills to manage a group of projects as a program by providing a single point of management from design through project completion.

### CPM SCHEDULING

Promatech understands that an effective CPM schedule is vital to the overall project's success. Our professionals have developed and maintained hundreds of complex CPM schedules for our clients' continued satisfaction.

### CONSTRUCTION INSPECTIONS

Promatech provides our clients with qualified construction inspectors for various road/highway and infrastructure projects located throughout the Mid-Atlantic region. Inspectors certified in: Traffic Control Planning, ACI, NJ SAT, NECEPT and National Institute for Certification of Engineering Technologies (NICET II - IV).

### DBE SUPPORTIVE SERVICES

Promatech provides training, assistance and services to Disadvantaged Business Enterprises to ensure their success in pursuing federally funded contract opportunities.

### COMPLIANCE MONITORING

Promatech provides independent certified payroll reviews, and minority and female workforce participation compliance. Our compliance services ensure that Owners and contractors are meeting the mandated requirements on projects.

### PUBLIC OUTREACH

Promatech provides public outreach services in order to keep the community informed of current and proposed projects that may have an impact on daily life in the area. The use of town hall meetings, strategic mailings and spreading information door-to-door are some of the steps we use to work with local communities so they are not only informed but have a voice in the projects that affect them.
